1. The Author hereby assigns to the Publisher the right to publish the said Contribution in print and in electronic form and translations of it wholly or in part throughout the World during the full term of the publishing agreement including renewals and extensions and all subsidiary rights.
2. The Author hereby warrants that he has full power to make this Agreement, that he is the Author of the Contribution, that the Contribution is original, and has not previously been published in any form and is in no way whatever a violation or infringement of any existing copyright or license, or duty of confidentiality, or duty to respect to privacy, or any other right of any person or party whatsoever, that it contains nothing libellous, that all statements therein purporting to be facts are true and that any recipe, formula or instruction contained therein will not, if followed accurately, cause any injury, illness or damage to the user. The Author further warrants that the Contribution contains no obscene, improper or blasphemous material nor is in any other way unlawful.
3. The Author retains the right to republish the Contribution in any printed collection without charge and subject only to notifying the Publisher of the intent to do so and ensuring that the publication by the Publisher is properly credited.
4. The Author guarantees that the Contribution is not under consideration for publication elsewhere, and that any necessary permission to quote from other sources has been obtained. (Copies of any such permission should be sent with this form.)
5. The Author declares that any person named as co-author of the Contribution is aware of the fact and has agreed to being so named.
6. The Author declares that, if the License to Publish form has been downloaded from the Publisher's website or sent by e-mail, the form has not been changed in any way without the knowledge of the Publisher. To be signed by the Author, also on behalf of any co-authors.
7. 6. Each Illustration must include a caption and an alternative text description to assist print impaired readers ('Alt Text').
